Pages Lane, N10 1PP (almost opposite Pages Hill)

www.mhmc.org.uk 020 88365 2446

234 bus stops outside, 134, 43, 102 & 291 buses stop nearby. Limited parking available

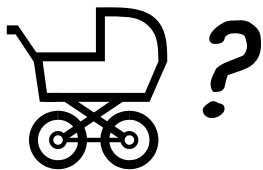

Drop-in Health Visitor Clinic no need to book an appointment

Drop-in Baby Weight Clinic for families in Haringey

(don't forget the red book!)

The rooms used for the clinics are on the first floor.
There is a lift just inside the main entrance, as well as the central stairs.

If you don't have a buggy with you, then access is through the glass front doors. Come in up the steps or go left round the curved ramp. Signs in the entrance lobby will give further directions. Baby seats are fine indoors.

Please don't bring buggies inside (unless you have two non-walkers) so that the indoor spaces can be kept clear, clean and safe.

Please take buggies through the gateway at the right end of the car park, round the side of the house, and leave them on the patio behind the church. Then come in through the glass doors at the back. Please remember your rain cover when the weather is unpredictable!

10 till 4 on a Thursday, there's a welcome to all to drop into a big open area on the ground floor – ideal for chatting, playing, feeding babies etc. There are toys for babies upwards, and refreshments are available.
