The scene for under 4's – feel free to use the Church Hub

If little ones get a bit restless, you could take them through to the coffee area at the back of the church – you can still hear everything and see the service through the glass doors. Tubs of toys are available – just dip in.

Young Church in North Bank – for 4's to 16's

The children and young people have most of the time in their own groups, but share in the main service in church for 10-15 minutes.
For All Age Worship, children stay in church for the whole service.

Communion at Muswell Hill Methodist Church

Everyone is welcome to share in the bread and wine in the Communion services. If you prefer, you may come forward but keep your hands by your side to receive a blessing, or it's fine to stay in your seat when others are going forward to the communion rail. If you would like to talk this over, please ask the Minister or one of the Stewards.
