These groups are the next step as the community programme gradually reopens safely. The age bands are smaller to keep numbers manageable, so please don't come to both! Masks for adults are required indoors – and please bring your own refreshments for now.

Groups run in school terms only – please check the website for dates.

Buggy Park: Please take buggies through the car park, round to the back of the house, and leave them on the patio. Then use the back door to come in. (Don't forget your rain cover – and a lock is good for peace of mind!)
